

EU Declaration of Incorporation of partly completed machinery

The manufacturer S&P Sistemas de Ventilación S.L.U
C/Llevant , 4
08150

declare that the Declaration of Incorporation is issued under our sole responsibility and belongs to the following partly completed machinery:

Tipo CENTRIFUGAL FANS
Serial number CFMT
All Manufactured
CE mark date 05

The object of the declaration defined above must not be put into service until the machine in which it is incorporated has been declared in conformity with the provisions of the Machinery Directive 2006/42/EC according with Annex II-1 part B.

It is also in conformity with the relevant Union harmonization legislation: Commission Regulation (EU) No 327/2011 implementing Directive 2009/125/EC with regard to eco-design requirements for fans driven by motors with an electric input power between 125 W and 500 kW and RoHS Directive 2011/65/EU.

The following harmonized standards and technical specifications have been applied:

EN 60204-1:2006 // EN 62311:2008 // EN ISO 12100:2010 //
EN ISO 12499:2008 //EN ISO 13857:2008 //

The manual instructions give safety measures that are still necessary on assembly to ensure the compliance with EN ISO 12499. Compliance with EN ISO 13857 refers to safety devices when supplied, and installed, with the product. The responsibility for compliance with EN ISO 13857 is the installer of the system where the product is applied.

We are committed to provide relevant information on this product in response to a reasonable request by national authorities.

The Technical Director is the person authorized to compile the technical file in accordance with Annex VII part B.

Additional Information:

The product design is inherently benign, and fulfills the requirements of the EMC Directive 2014/30/EU with regard to emission and immunity to electromagnetic levels.
